

1928 was an auspicious year. Not only was it the first year of production of Graham Paige cars., but also the following

- It was also the year of the first Australian Grand Prix, held on Phillip Island.
- The first flight across the Pacific Ocean by Charles Kingsford-Smith was performed in a plane called "The Southern Cross"
- The first speedos were produced

What do these things have in common with Penguins, seals, wineries, gourmet food and beaches?

In 2018 the Graham Owners Club Southern Cross Region will be celebrating 90 years of Graham Paige, by holding their rally on Phillip Island. Planning is in its early stages, but we are looking for it to be held in March.

Highlights will include

- Watching the world famous fairy penguin Parade
- Dolphin/Seal Cruise
- A tour of the Phillip island Grand Prix circuit (current and historic) including a visit to their museum
